Argo Navis IT is a value added reseller of Premiere Conferencing services and is their exclusive MWBE partner. As such, we combine entrepreneurial spirit and vitality with a proven, reliable, quality provider of worldwide conferencing services.

## Why Choose Argo Navis IT For Conferencing?

### • Because we offer what you care about:

- Leading edge technology
- Great customer support
- Security & reliability
- Global capability
- Competitive pricing
- Social responsibility

• **Because we are focused only on conferencing,** we are committed to offering only the best. We chose Premiere as our business partner and supplier because they are the best in the industry. With them, we offer superior focus on your needs, and the best services and tools, from web to wireless.

• **Because we fit your needs.** Most companies are reducing travel and employees need more alternative capabilities to work together as teams. We offer the best alternatives to being there in person.

• **Because of the quality and security of our services.** In 2002, in recognition of the proven quality of their service, our partner, Premiere Conferencing, won the Commitment to Excellence Award, which is based on Malcolm Baldrige principles.

• **Because our values match yours.** We strongly believe in the strength of Argo Navis IT, the benefit we can bring to your company, and in actively promoting a strong, healthy society.
